TOWNSHIP OF RAWDON FIRE BRIGADE

Rabid Cat Attacks Bakers

Earl Johnson, local baker, and his 14-year-old helper, Murray Wannamaker, are receiving treatments after being bitten and scratched by a rabid house cat in the storeroom of the bake shop.

Mr. Johnson destroyed the cat and later tests proved the animal to have been suffering from rabies.

Both Mr. Johnson and his young helper were attacked within minutes of each other. They are both receiving daily shots of rabies serum.

Winners At Trenton Bingo

Monday was a lucky night for two Stirling residents at the Lions' Club Bingo held in Trenton. Mrs. Bernard Farrell, Church St., won the Snowball Game, with a cash prize of \$1500.00, and Mrs. Geo. Noble won a door prize.

Miss Helen Mouck, Toronto, holidaying at the home of her brother, Mr. and Mrs. Graham Mouck, was a \$25.00 winner.

Don't Forget Questionnaires

Is there enough public support in this district to proceed with plans to improve arena conditions? Over 1300 survey sheets have been mailed to citizens in the area. The Arena Committee has scheduled a meeting for Wednesday, October 7th at which time the results of the survey will be considered. Residents are urged to make their thinking known by returning completed forms on or before Monday, October 5th.

While only two questions appear on the survey sheets, there is a third important question. If only a small number of citizens are interested enough to return their question sheet, then the Arena Committee must assume that it lacks the general support of the public. It is, therefore, important that anyone supporting improved arena facilities should express his support by returning a question sheet before next Monday.

A few extra sheets are available to anyone who did not receive one in the mail. Please contact Doug Patterson in this regard.

Stirling Fire Department Outlines Activities For Fire Prevention Week

Open House at Fire Hall on Sunday — Inspections and Demonstrations on Monday

The Stirling Volunteer Fire Department is planning several activities for next week in recognition of the 1964 Fire Prevention Week, October 4th to 10th.

Open House

On Sunday

On Sunday afternoon, October 4th, from 2 to 4 p.m., an "Open House" will be held at the Mill St. Fire Hall. The public is cordially invited to attend to see the various alterations taking place there, which includes a new heating unit, and to view the two fire trucks.

Property Inspections

On Monday

Monday, October 5th has been set aside as "Property Inspection Day" in Stirling. Fire Chief Graham Mouck has a growing list of business and residential properties to be inspected by Insurance Inspectors in the afternoon. Incidentally, it is still not too late to have your residence added to the list. All you need to do is contact Fire Chief Mouck or any member of the Brigade.

Shame (over an untidy house), fear (of consequences), ignorance (of what it's all about) — forget these things if you have an ounce of common sense. Welcome the authorized fire fighter if he knocks at your door, suggesting a look-see for fire hazards.

Close your door to fire, keep it open for fire prevention.

Public Display

At Community Hall

Monday night, commencing at 7.30 p.m., a display of small fire fighting equipment will be shown at the Stirling Community Hall by members of the Department.

Out-of-town representatives who have indicated they will be present include: Fire Chief Gerald Vance, of Belleville, also Mutual Aid Co-ordinator, Mervin Dufoe, Frankford Fire Chief and President of the Hastings

and Prince Edward Mutual Aid Fire Services Association; Herb Mallory, from the Fire Marshall's Office, Belleville; Bell Telephone Co., with artificial respiration equipment; Motorola Radio Co., who will display portable radios and walkie-talkie outfits; and a representative from the Emergency Measures organization, who will explain radiation detection equipment and will operate a portable radio from the Community Hall.

Two timely films will be shown to conclude this educational evening entitled, "Know Your Fire Hazards" and "In Case of Fire", which comes highly recommended.

There will be no admission charged at any of these functions, but the local brigade are setting this week aside for their annual campaign in the fight against Muscular Dystrophy. A donation in the canisters placed in the Hall would be much appreciated.

Mutual Aid

Meeting

On Wednesday, October 7th, the monthly meeting of the Mutual Aid Association of Hastings and Prince Edward Fire Departments is also scheduled to be held at the Community Hall. The Stirling Fire Department will act as hosts.

The local Brigade has put a lot of effort in the promotion of Fire Prevention Week in Stirling. It is hoped that a majority of citizens will avail themselves of the opportunity of attending at least one of these functions.

Time-Table

Of Events

Sunday, October 4th, 2 to 4 p.m. — Open House at Fire Hall.

Monday, October 5th — Afternoon

Inspections.

Monday, October 5th, 7.30 p.m. — Displays at Community Hall, Demonstration and Films.

Legion Service Bureau Officer To Visit Stirling

All ex-service personnel and their dependents are invited to take advantage of a free Legion service. Mr. Ian Urquhart, Service Bureau Officer from Ottawa, Ontario, will be at the Stirling Legion, Branch No. 228, on October 6th, at 2 p.m. to give skilled advice on veterans' benefits. Anyone with questions on war disability pension, War Veteran's Allowance (Burnt-out pension) Treatment, or hospital care is urged to call or write Mr. Ray Tanner, who will arrange an appointment.

Honoured Prior To Departure

On Thursday evening, September 24th, Carol and Jean Sharpe were hostesses at their home, R.R. 3, Stirling, for a farewell party in honour of Albert Lawes, who recently joined the Royal Canadian Air Force.

During the evening, a skit was presented entitled, "This Is Your Life", with Ted Reid as master of ceremonies, assisted by other school friends. Following this, Robert Luery made the presentation of an electric razor, on behalf of the group. A buffet supper was enjoyed at midnight.

Albert left on Sunday for St. Jean's, Quebec, to begin his basic training.

At Sovereign Grand Lodge

Mr. and Mrs. Earl Fox have returned from Minneapolis, Minn., where Mr. Fox was the representative from the Grand Lodge of Ontario, Independent Order of Odd Fellows, at the Sovereign Grand Lodge Sessions. On the way home they visited relatives in Appleton, Wis.

During the Sessions, they heard Miss Eleanor Westney, of Pickering, Ont., speak on her United Nations Pilgrimage. She was at the Sessions as one of two representatives of the 1200 students from Canada and U.S.A. who participated in the Pilgrimage this past summer. The other representative was a youth from Louisiana.

Miss Westney, is a granddaughter of Rev. Fred G. Jobin, of Port Perry, a former minister on the Rawdon Circuit.

Township Now Has Efficient Fire Fighting Equipment

Ready To Serve In Any Emergency — New Truck Purchased This Summer

As Fire Prevention Week starts on Sunday, October 4th, it is an appropriate time to give our Rawdon Township readers more information on their recently-formed Volunteer Fire Department. A far cry from the horse-drawn and steam-operated engine with hand pumper, is the sleek two-toned truck, purchased only a few weeks ago, at a cost of \$19,000. But no price is too high, if it is protecting human life and valuable property. Rawdon Township residents can now face the winter — a time when the most disastrous outbreaks usually occur — with more assurance that loss will be kept to a minimum.

It is one thing to admire the new fire truck and another to know what it really can offer in extra services in a time of emergency.

One of its most important features is the 500-gallon water tank, equipped with a 650-gallon per minute pump. This appears to be a questionable asset when the tank could be drained in a matter of minutes. However, the water comes out in a spray which can actually be stretched over a considerable length of time. This, however, is still not the most important asset — which is the fact that there is water ready to be used the instant the truck arrives at the scene.

Portable Pump

A portable pump is also carried on the truck, which can easily be carried by two men to the nearest source of water, which can be pumped into the larger tank through any length of hose. This is especially valuable in Rawdon Township where there are no fire hydrants.

Well-Equipped

The truck is equipped with 1200 feet of 2½-inch hose; 600 feet of 1½-inch hose and 400 feet of booster hose; two Scott airpicks, to be used when dense smoke must be penetrated; a 35-foot extension ladder; 12 foot roof ladder; and 10-foot attic ladder.

The two-tone paint job on the truck is not especially to add to its attractiveness, but because it has proved that it is more discernible at night. With the beacon ray revolving light atop and the red flasher and siren, it is a luminous sight to the eye. In the very near future, foam-its will be carried on the truck for fighting gas and oil fires.

Requires Skill

Incidentally, it has taken considerable practice to learn the fine points of operating this unit and becoming familiar with the various gadgets. Firemen must know the operation of the new truck before an outbreak occurs. It is of little use unless there is efficient handling.

The Bell Telephone Company has installed a new four phone alarm system (EX 5-2332) for the Rawdon Department, which means one call will automatically ring four firemen's telephones simultaneously.

All the above details add up to an

Engagement

old, Ontario, wish to announce the engagement of their eldest daughter, Shirley Isabelle, to Mr. Harley Clayton Blackburn, son of Mr. and Mrs. Clayton Blackburn, Eldorado, Ont-
ario. Marriage to take place on Sat-

excellent fire-fighting system, of
which township residents should be
proud.

Brigade Personnel

The personnel of the Brigade is as follows: Chief, Mac Mason; Deputy Chief, Bill McKeown; Captains, Bill McAdam, Doug Andrews; Instructor, Jack Reid; Volunteer Firemen, Ralph Thompson, Wes. Finch, Carman Col-
den, Lloyd Sedore, Mort Reid, Bill Reid, Ralph Wellman, Keith Twiddy, Harry McAdam, Garth Joslin, Bob Hoard, Archie Bailey, Stan Williams, Ralph Jeffs, Jim Pollock, Ross Jeffs, Dave Potts, Doug Campbell, Jim Thompson, Glen Sine, Jim Rainie, Harry Danford, Murney Bateman, Lloyd Barton.

The Rawdon Brigade is a part of the Hastings and Prince Edward Mutual Aid Association. A good fire department is only as good as its equipment and its men. Rawdon should feel fortunate in that they have the best of both.

BUY AN APPLE

Apple Day is here again. On Friday night and Saturday of this week, members of the local Cub Pack and Boy Scouts, in uniform, will canvass the Village, selling nice red apples, in an effort to raise funds to help Scouting in Stirling.

The local groups have been quite active in the Community and it is hoped that the citizens will give the needed support to do their work. All the natural love of boys for the outdoors, all their longing for good comradeship, all their healthy desire for play and adventure finds most complete expression in the Boy Scout organization. But even more important than these is the inculcation of all those qualities of heart and mind and body which make for good citizenship. A Boy Scout is self-reliant. He is loyal. He learns to be useful and above all, he learns to serve others by helping them.

Every normal boy wants to be a Boy Scout, and in our opinion, everything possible should be done to further the interests of the organization in Stirling. For the organization will make a true, loyal, honourable, useful man of any boy. It will make him in a word, a good Scout — than which no higher tribute can be paid him.

The more one knows about the aims and ideals of Boy Scouts, the more keenly one appreciates the fact that public-spirited citizens have made the local groups possible. It is for grown-ups, the adults, the parents to make certain that the organization does not lack for funds to carry on. That can be done by enthusiastic co-operation in this campaign.

We appeal to Mr. and Mrs. John Public for their financial help to aid Scouting in Stirling. Help yourself to Health. Buy an apple from a Cub or Scout on Friday evening or Saturday.

KICKERS

The kickers on the farm are not so hard to get along with as the kickers in town. On the farm there is the kicking cow and our long-eared friend, the mule; while in town there is the old mossback, who wants all the local improvements without paying for them, and the chronic groucher, who is against any improvement. The cow may be sold for beef, the mule traded for a shot-gun, but nothing but a funeral will get rid of the town kicker.

COUNTRYSIDE BEAUTIFUL

The surrounding country is beautiful now with the leaves on the trees in all their gorgeous Autumn colours. It is worthwhile to take a drive along the roads or over the Oak Hills, where a view that is hard to surpass is presented. Stirling has a beautiful location. One hears many fine compliments from visitors to this district.

EDITORIAL DEFINED AS AN INFORMED OPINION

(This is the fifth in a series of editorials explaining how a weekly newspaper functions.)

An editorial is an opinion. More correctly, an editorial is, or should be, an informed opinion on matters of public interest.

The Stirling News-Argus rarely deals editorially with world subjects, except in their reaction upon this District. This is not because we, or our readers, are not interested in the African situation, for example, but first of all because it is practically impossible for us to be fully informed on these world problems, and secondly, we deal exclusively with local news. We lack time for the research necessary for a discussion of world problems and an editorial not solidly based on information is a mere street-corner guess.

It is easy to write editorials criticizing policy or administration of public officials and bodies. Much harder is the task of putting forth constructive ideas. We try to refrain from the class of irresponsible critic, for no public good is served by that kind of editorial.

Our editorial columns are pledged to the support of all policies and movements which will advance the welfare of the people of this District.

How the things that are none of our business interest us.

It takes about fifteen hundred nuts to hold an automobile together, but only one to scatter it over the landscape.

QUICK THINKING

In a certain small city there was a newspaper man known as "the undertaker". He is credited with bringing about one of the quickest recoveries known to medical science, at least in that certain small city.

A farmer was digging a well and had the misfortune to be trapped in it. He was pulled out by the fire department, and since he appeared to be unconscious, he was being driven to treatment. The vehicle met and passed the funeral home paper man. "There's the undertaker," said the first fireman to the second fireman.

Their passenger rose up. He was a man of few words and all he said was: "Turn around and take me home."

But he said it with feeling.

Pig Street Under Construction

Sidney Township has been engaged in extensive repairs to some of their roads. Residents and travellers of "Pig Street" in Northern Sidney are pleased to have this road, which was much in need of extensive attention due to hills, widened and built up, making travelling safer and more comfortable.

Since this road is much-travelled, due to its access to part of the north, the increased population of the Resort Area of the Trent River, also as a by-pass of Stirling, many people make inquiries about its name and location.

This is a "given" road, running almost through the centre of the 8th Concession and which, true to form, should be located between the 8th and 9th Concessions, up over higher hills and a more wooded area, near the Power Line. It is widely known for its scenic value and for its curious name, "Pig Street".

The story goes, as was told by the late Alex Park, a well-known and active citizen of Stirling and area, that Wm. Park, his father, pioneer of the Oak Hills moved to the Park farm on the border of the 7th Concession, on March 28th, 1863, when most of these farms in the area were still heavily wooded with virgin forest. His father kept several pigs and which was quite usual, they roamed the woods in search of food, especi-

ally in beech nut time. They often strayed to the neighbours. One day a much-irritated resident on "Pig Street, shot at three large pigs. One was killed and two wounded. However, one not too severely hurt, ran home, bleeding. The owners were able to trace, by the blood, the source of the injury and found the other two pigs, much to the dismay and surprise of the offenders. Hence the name, thereafter, of the road was "Pig Street".

Up to date, no one is sure of the age of the road, but it no doubt started like many roads as a handy path or short cut, to join the two main roads, now Highways 33 and 14. To help estimate the number of years in use, Mr. Clarence Chard, a resident on Pig Street, recalls stories told of the oxen used on the road, especially mentioning those owned by John Vandervoort and Will Irven. Mr. Vandervoort's white yoke of oxen was noted for pulling stones and was often taken to "stone bees." (Oxen were better at this than horses because they had an uneven way of pulling on the stone; A straight pull would injure the horses' shoulders). Travellers often still remark about the stone fences in this area. He also recalls an old man in 1900, a Mr. John Turner. (He is listed in 1860 Directory) telling of drawing logs to Chisholm's Mills, Glen Ross, when he was 16 years of age. One day his yoke of oxen broke loose from the load of logs at the top of "Pig Street"

and he did not catch them until they ran all the way to Glen Ross. At one time, parts of the road, were known as a Corduroy Road, and until late years, every spring, some of these logs would come to the surface. Until a few years ago this road, due to the many nearby springs, hills and valleys and spongy bedding, was nearly impassable in Spring and Winter. Now, due to modern equipment and the watchfulness of Council and township roadmen, it is never impassable.

The story of roads and how they were changed from foot paths to modern conditions is an interesting one. When one notes the labour, money and inconveniences that the individual resident formerly experienced, we appreciate a little more the method of today, the "tax bill". In an old map of 1862, many farms bordering the road, east and central, are marked non-resident.

A still hazardous part is the portion approaching Highway 14, belonging to the Province, which the Council had no permission to repair. It is hoped that this can be widened soon to avoid anticipated accidents.

Surveys have shown the population of the Lake Ontario Region is growing, and is expected to surpass 450,000 people by the mid-seventies.

September Meeting Salem U.C.W.

The September meeting of Salem U.C.W. was held Thursday afternoon, September 17th, in the church hall. The president, Mrs. E. Sine, opened the meeting with a poem, followed by the Theme hymn, the General Thanksgiving and Prayer. A welcome to all was extended by Mrs. Sine. Mrs. Stanley Thompson, acting as secretary, called the roll with each answering with a Thanksgiving Bible verse. Minutes of the last meeting were read. Business was discussed and two "thank you" notes were read.

Mrs. Arnold Ray then presided over the devotional meeting. A hymn was sung. Mrs. V. Hagerman read the Scripture Lesson and Mrs. J. B. Hagerman led in prayer. Mrs. Ed. Colden sang, "The Hem of His Garment". Mrs. Lebow gave a reading.

Mrs. Tom Clements then gave an interesting report of the Church Conference which she attended in Belleville. Mrs. Lorne Hagerman conducted the discussion period on the second chapter of the Study Book which was most interesting. Mrs. Ern Broadworth thanked all who helped with the meeting. Collection was received. A hymn and the Benediction closed the meeting. A delicious lunch was served.

Fall Meeting Catholic Women's League

The first meeting of the Fall season for the Catholic Women's League of St. James' Parish was held at the Rectory on September 17th.

The main business of the meeting, chaired by Mrs. J. Forestell, President, was the barn sale to be held at Hoard's Corners, later in the month. This is a Parish activity and all help to make this venture a success will be greatly appreciated.

A letter of much interest was read from Mrs. Ron Powers, former resident of the village, now residing at Great Whale River in Northern Quebec, asking for donations of clothing for the Eskimo Mission. The local Indians and Eskimos need suitable winter clothing badly and all used or new articles will be put to good use.

Mrs. Ray Burley gave a very interesting reading on "Slater Luc-Gabriele—the Singing Nun". All proceeds from the Sister's records and albums are used to further the mission work of the Dominican Order.

Rev. J. McGarvey closed the meeting with prayer and a lovely lunch was served. Hostess for this enjoyable occasion was Mrs. Gerald Kerby, assisted by Mrs. John Kerby and Mrs. J. McAvoy.

Ross Carlisle Top Plowman At Matches

Ross Carlisle, R.R. 3, Stirling, was top plowman at the third annual Hastings County Plowmen's Association match held Wednesday afternoon, September 23rd, at the farm of Elmer Wilson, West Huntingdon.

The Stirling youth not only won the utility class held during the morning, but also the 18-21 year class in the afternoon and also came in for a big share of the special prizes offered.

Don Mumby, of Harold, won the 16-17 year old class and also placed second in the utility class. Robert Hamilton, of Sidney Township, placed third in the utility class, and second in the 18-21 year class. Irwin Post placed third in the 18-21 year class.

The novice class, for juniors competing for the first time, was won by James Haggerty, of West Huntingdon.

Eleven junior county plowmen turned out for the match, the third since the formation of the County Plowmen's Association back in 1962. Ex-Madoc Reeve Earl Sager is this year's Association president.

If you think the world owes you a living, hustle out and collect it.

Sport Notes

(By Bob Taylor)
Hoard's Station (softball) were eliminated by Petherick's in the Campbellford District League semifinals. Hoard's Station finished first in regular season play.

Southpaw Mike Ratusniak, pitcher for Trenton R.C.A.F. Flyers and Trenton Printers for several years, is leaving for France shortly for R.C.A.F. service overseas.

Donna Drake, a Trenton girl who is perhaps the top Canadian ladies' softball pitcher, has been offered a position with the New Haven (Conn.) Wonderettes. This includes a guaranteed lifetime income and several benefits. Donna has been pitching for a Toronto team and pitched in a world tournament only to lose 1-0 on an unearned run. Donna has not yet made her decision, but whatever her choice, she is a credit to Trenton and to softball.

Local sport enthusiasts will be interested in the development of a Junior "D" entry from Stirling. Bob Anderson believes that he has the material for a team and another meeting will be held in the near future. Notice will appear in the next edition of the News-Argus.

Plainfield Y.P.U. Bay of Quinte Champions

The '64 edition of Plainfield Y.P.U. softball team, winners of the Stirling Invitational, captured the Bay of Quinte Championship by defeating Johnstown, 8-3, in Frankford on Thursday last. Plainfield took the best three-of-five series and the trophy, three games to one.

The Plainfield victory was a team-effort as a whole, but was sparked by the stand-out five-hit pitching of Marjorie Reid, who fanned three and passed one. Sheila Ray turned in an outstanding game at second base for the winners by pulling the trigger to ignite two dazzling double plays.

Sheila was also 2 for 3 at the plate with a pair of doubles and two stolen bases. Don Reid, Glen Ketcheson, Gary Ray and Dianne Hall turned in fine defensive games.

Coach Bob Smith led his mates at bat with two towering homers, a double and a bunt single.

Beverley Clapp pitched a steady game for Johnstown, well-deserving of victory. Their hitting was led by their speedy shortstop, Grant Vandervoort.

The presentation of the trophy will take place Saturday night. Time and place is not definite.

Unit 3 St. Paul's U.C. Women

Unit 3 of the United Church Women met at the home of Mrs. Carl Potter for the first meeting of the Fall season. The meeting began with the singing of Hymn 16, "From All That Dwell Beneath the Skies", followed by a welcome from Unit leader, Mrs. Gilbert Finkle.

The business session followed and the following dates were called to the attention of all members: October 1st, Tea at Minto United Church, Mrs. Frank Smith, guest speaker; October 6th, General meeting, St. Paul's U.C.W., Mrs. Sine, guest speaker; October 15th, Christian Education Workshop, St. Paul's, Stirling. Miss Eleanor Beach will speak on her experience with Crossroads, Africa.

The Devotional period was led by Mrs. Max Maguire, on the theme, "Cords of Compassion". The Scripture reading, taken from Luke, chapter 14, verses 11-32, was read by Mrs. Gilbert Finkle.

Bible Study, based on the first chapter of the Study Book, "God and His Purpose", was led by Mrs. Lloyd Jones.

Mrs. Jones then introduced the guest speaker, Mrs. Basil Kuglin, who spoke on the subject of a County Health Unit, which would give the following benefits to residents of Hastings:

- (1) Full time public health administration by a fully qualified staff under the direction of a Board of Health set up by the County.
 - (2) An adequate, full time, school health programme for elementary and secondary schools which would include (a) regular health inspections for defects concerning eyes, teeth, tonsils, hearing and orthopaedic conditions; (b) follow-up visits made to parents when necessary by the public health nurse.
 - (3) An adequate maternal and child hygiene programme which includes: (a) pre-natal education; (b) post-natal welfare visits to the mother and baby, and (c) well-baby clinics.
 - (4) The services of a fully qualified sanitary inspector.
 - (5) Educational visits made on a home basis to all age groups (infants to senior citizens) concerning nutritional needs, mental health, supervision of home nursing, and communicable disease protection.
 - (6) An adequate communicable disease programme for prevention and control of all communicable diseases including tuberculosis and venereal diseases.
- The following specialized services could be given if it were the policy of the County Board to include these over and above the basic services:
- (a) a nursing services which would give bedside nursing care in the home; (b) services of a veterinary; (c) services of a full-time occupational therapist and physiotherapist; (d) dental services. These services are covered by additional government grants over and above the initial 50 per cent government grant, thus lowering the actual per capita cost of a Health Unit.
- All this points to a continuity of public health services which everyone could enjoy.
- A question period and social half-hour followed. Mrs. Max Maguire voiced the thanks of everyone to Mrs.

Kuglin and Mrs. Harry Francis thanked the hostess, Mrs. Carl Potter, the programme and lunch committees, on behalf of all present.

Highlights of Pentecostal Conference

Rev. and Mrs. Robt. Donnan, at the 24th Biennial Conference of the Pentecostal Assemblies of Canada in Montreal recently, who represented Good Tidings Pentecostal Tabernacle, Stirling, hear a ringing clarion call from the denomination's senior officer, Rev. Tom Johnstone, in the conference key note address, indicating that the fundamentalist group still believes in the historical reliability of the Bible.

Said the leader of the 685 Canadian churches: "I personally believe the Bible to be the infallible Word of God — of course, this includes the Book of Genesis."

He was apparently alluding to the Sunday School curricula of two Canadian Protestant denominations which state that Genesis accounts are myths.

Dr. C. M. Wortman, general secretary-treasurer in his official report indicated the staggering growth of the Pentecostal church in Canada.

The founding convention of the Pentecostal Assemblies of Canada was held in Montreal in 1917 which 13 ordained ministers attended. At this conference, the denomination has 666 ordained ministers, besides a large number of lady preachers and deaconesses and lay preachers.

The 1961 Federal Canadian Census reported the Pentecostals to be the fastest growing denomination in Canada, 144,000, a gain of 52 per cent in the 10 year census period.

The denomination has 168 missionaries in 12 overseas fields and carries on extensive social work in Canada. The church has senior citizens' homes near Fredericton, N.B., Scarborough, Ont., and Nipawan, Sask.

A home for unmarried mothers in Toronto has been in operation for 35 years.

Recently a new outreach has been sponsored in Toronto for the rehabilitation of youthful drug addicts. Remarkable successes have been reported in a mere few months of "Teen Challenge".

The church has a hospital at Hay River, N.W.T., which is being expanded from 12 to 30 beds, with financial assistance of different levels of governments.

Rally Day Service At Mt. Pleasant

The annual Rally Day Service was held Sunday morning, September 27th, in Mount Pleasant Rawdon United Church with a large attendance. Autumn flowers were used for decoration and The Board of Christian Edu-

cation of the United Church of Canada supplied the programme. The theme was "Teaching Ministry of the Church".

Robert H. Hoard gave the Call to Worship, which included a prayer, a hymn and a Litany.

Miss Barbara Williams was organist and during the service the Junior Choir rendered a selection.

Rodger Smith read a story from the Book of Acts, which told of a teaching mission of Peter, John and Philip.

The leader continued with concerns for a multitude of people who have assisted with various items of church work.

Mrs. Herbert Smith conducted the story, based on "God and His Purposes". Jim Scott read The Teaching Ministry of the Church to children beyond the Sunday School class.

Nancy David brought a message re Miss Frances Walbridge, of Montreal, who instructed a literary class in Angola.

Janet Fletcher told of the work of Dr. Mary Verghen of the Christian Medical College and Hospital at Vellore, South India.

LEGION NOTES

Plans for the annual Poppy Campaign are presently being completed. Chairman Fred Heasman has gathered a strong committee to assist him this year. It is expected that a special group will be appointed to visit all business places in early October in connection with the annual wreath sale.

Other plans call for a visit to all district schools by a Legion representative. At this time, it is hoped that the teachers will afford the caller a few moments of class time in which the true significance of Remembrance Day can be explained. In past years, this aspect of the Poppy Campaign has been most successful and is due mainly to the great co-operation of teachers and students. Further plans and dates concerning the school visitation will be made early in October.

The Legion is also proceeding with the planning of a Remembrance Day program to be held at the local cenotaph and also at the Rawdon Township Memorial at Harold. Branch Padre F. F. Downing will look after this item, with the help of Branch President Allan Lawes and his executive.

While no plans have yet been discussed, it is assumed that the Branch will once again hold its Remembrance Day Banquet on the evening of November 11th. Plans for this event will no doubt be discussed at

An Important Part of Our Business

Repairs or Servicing

What Happens When You Bring
Your Watch In and Say: "Clean It"

The watch is completely dis-assembled. Each part is carefully washed off with a cleaning solution and placed in a cleaning machine. (All except mainspring, hands and dial. This assembly then goes through three specially prepared solutions, a cleaner, and two rinses — then into a heated chamber whereby each component is thoroughly dried. Each item is carefully inspected for wear, bent teeth, rust, bent shafts or any other damage, then the watch is re-assembled, with each jewel or moving part being carefully oiled. (Watch oil costs about \$600. — Yes, \$600. per gallon). This is not so expensive when you realize that 1 DROP must oil 6 to 8 watches — (If more than this amount is used, then the watch must be re-cleaned. The watch is then left on a repair board for 24 hours for timing purposes.

This entire assembly can take up to an hour or more — depending on how complex the time piece is.

Now, supposing a watch repairman works at his bench for 6 hours per day (which is seldom), and supposing he repaired 6 watches per day — There are approximately 255 business days per year — This amounts to 1530 watches repaired.

Think of the number of people who have one watch and, sometimes, two or more.

Consequently, we must ask that each person take his turn for repairs, otherwise, some one will wait only a few days, while others will be kept waiting for months.

the next Executive meeting or at the October business session. With the Legion obligated to host the Zone meeting in October, it will be necessary to complete all such arrangements at an early date.

The Legion will also hold its annual reception for all the Silver Cross mothers of this area. Further details will be announced by Branch President Allan Lawes as soon as plans are complete. Invitations to this reception will be mailed direct to all Silver Cross mothers, however, the Legion wants it clearly under-

stood that the immediate families are also included and most welcome to attend.

Another event scheduled for October, is the annual Halloween Dance which has come to be one of the most popular events on the Legion social calendar. There is obviously a great deal of planning and work to be done during the next two or three months. Branch President Lawes and his officers seek the complete support of all branch members in order that all our obligations can be carried out successfully.

Fire Prevention Week Being Observed Here

Fire drills and inspections are the order of the day this week as Stirling Volunteer Fire Fighters carried out a detailed programme in connection with Fire Prevention Week.

Fire Chief Graham Mouch stated that fire drills had been held at the Public and High Schools during the week.

Free inspection of residences and places of business was carried out Monday by fire insurance inspectors, assisted by the local firemen, in the interests of fire safety.

Sunday afternoon "Open House" was held at the Fire Hall when residents were given the opportunity to examine the fire truck and recent renovations made to the Hall.

Monday evening the firemen had on display, at the Community Hall, various pieces of small fire fighting equipment for the public to view. The Bell Telephone Co. demonstrated mouth-to-mouth respiration and the Emergency Measures Organization and Motorola Co. had portable radio equipment on display. Two suitable films were also shown during the evening.

Fire Chief G. Vance, Belleville, and Herb. Mallory, of the Fire Marshall's Office, were present and addressed the gathering.

Fire Chief Graham Mouch chaired the meeting. Reeve Bert Jones extended a civic welcome to the assembly.

Over 70 Per Cent of Recent Opinion Poll Favours Renovation of Present Arena

A campaign to raise \$25,000.00 will be launched shortly by the Stirling District Memorial Arena Committee. This decision was taken at a special meeting of the Committee last night. The campaign for funds will take the form of a house-to-house canvass for the necessary financial support. It will cover the Village of Stirling, Rawdon Township and portions of Sidney and Huntingdon Townships.

The results of the recent opinion poll were greatly in favour of the proposal to renovate the present arena and install artificial ice. Over 70 per cent favoured this course of action. While it was generally agreed that a new arena was perhaps the ideal objective, the Committee concluded that such a plan could not obtain the necessary financial support. In the face of these facts, an appeal for public support for the renovation of the present arena will be started at once.

The Finance Committee is planning a campaign for funds. All canvassers will meet with the Committee next Wednesday, October 14th, at 8 p.m. in the Council Chambers. Anyone who will volunteer to assist is asked to contact Mr. Harold Wells or be in attendance next Wednesday evening.

Actual work on the Arena will start as soon as funds become available through the financial campaign. The sooner the required money is raised, the sooner work can be completed. At present, it is not possible to say that artificial ice will be available this year. This will depend on how soon the necessary funds can be raised.

The first steps to be taken at the Arena would be the necessary excavation, tiling and concrete work required to prepare the ice surface for artificial ice. If this work could be completed in time, the next step would be the purchase and installation of the required equipment. All these plans naturally depend on the extent of public support. The Building Committee will seek the services of a qualified person to advise them regarding the purchase and installation of the equipment. At present, the Committee is investigating three different units which are known to be available.

The Arena Committee realizes that many details of the proposed plan are not known by the general public. Efforts are being made to provide more complete information through the News-Argus next week. Now that a final decision has been reached by the Arena Committee, citizens of this area are asked to give their generous support to a very worthwhile community project.

GIVE THANKS

Monday next, October 12th, has been set aside for the observance of Thanksgiving. As the Thanksgiving season approaches, our thoughts should turn to God, the giver of all good things. What have we for which to be grateful? Far more than many of us realize.

In addition to causes for national thanksgiving, we have reasons for individual and personal gratitude to the Giver of all good things — life, health, love, friendship, the daily task and the capacity for doing it, the opportunity for service and the willingness to render it. In these priceless gifts our people are rich and for these, as well as for the material blessings, we should be thankful. Monday is the appointed day on which we are asked to uplift heart and voice with thanksgiving. Let all give thanks for our manifold blessings.

"WHY"

As we once again observe Fire Prevention Week, we are reminded that last year Canada racked up yet another set of sorry statistics! Why?

Why did FIRE cause a property loss total of almost \$150,000,000.00?

Why did FIRE snuff out the lives of over 500 Canadians?

Why were there well over 80,000 FIRES in Canada?

Why were most of these FIRES in homes?

Why? Why? Why? There is a simple answer to this question, and a simple solution to the problem of FIRE in Canada, and it is the common, three-letter word YOU!

Three out of every four FIRES are the result of human carelessness! They should never have occurred, but because someone was careless, they did! Those persons that experienced these fires, if they survived, won't have to learn their lesson again, but how about YOU?

Are YOU prepared to profit from the sad experience of others, and really do something about FIRE PREVENTION; or are YOU going to insist, as do most Canadians, on waiting until you learn your own bitter lesson?

Over and over again we see headlines that read something like this: "Children Die As Parents Unable To Enter Burning Home". WHY, in Heaven's name, were the parents away from the home in the first place? And, if they simply had to go next door to play cards, WHY wasn't a competent Baby Sitter hired, and told what to do in case of fire?

"Frayed electrical appliance cords are dangerous", repeat the Fire Prevention experts, so what have YOU done about the frayed cord on YOUR electric kettle, steam iron or toaster? If YOU are waiting "just a little bit longer, until it really needs replacing", it could be the most expensive wait YOU will ever experience!

"Clean out attics and basements" say the experts, so what about YOUR attic or basement? All that junk that has been lying around for a donkey's years, is nothing but a perfect breeding place for FIRE. Those old books and magazines for instance; when do you think you are going to read them? That old chesterfield chair, and those boxes of old baby clothes, to say nothing of the old window blinds and lamp shades that have been in the attic for the last ten years!

Stop kidding yourself! If an item has been dumped in the basement or the attic, and hasn't been brought out, or looked for, in over a year, the odds are 100 to 1 that it never will be, so do yourself a favour and get rid of it! It will do away with a serious FIRE hazard and besides, it will give you more room for this year's accumulation of junk!

Finally, let's mention smoking. Every smoker has, at one time or another, experienced drowsiness while smoking, and has usually suffered minor singeing as a result. They are the lucky ones! Our cemeteries are filled with others who didn't wake up in time, and became charred statistics in our annual FIRE record.

Nobody could help these people, the responsibility was theirs alone. They had most certainly heard all the warnings, just as YOU have. They chose to ignore them, secure in the ridiculous assumption that "it can't happen to me". Just for the record, it can happen to anyone; anyone, that is, who is foolish enough to ignore the warnings, and who considers FIRE PREVENTION as something strictly for others!

Business is sensitive. It comes where it is solicited. It stays where it is well-treated.

STRONG VERB

"If you had a little more spunk," the teacher said sternly to one of her boys, "you would stand better in your class. Now, do you know what spunk is?"

Yes, ma'am," replied the boy. "It's the past participle of spank."

The two farmers were constantly arguing over who grew the largest crops. One morning the first said to his son: "Jimmy, go over to Mr. Jones and borrow his cross-cut saw. Tell him I want to cut up a watermelon."

Jimmy was back in a hurry. "Can't have it today," he told his dad. Mr. Jones says his wife isn't through slicing cucumbers."

Mr. and Mrs. Ben Bleecker Wed 50 Years

Happily married for 50 years, Mr. and Mrs. Ben S. Bleecker, of Hallows, were "at home" on Sunday, October 4th, as they observed their golden anniversary.

A family dinner was enjoyed at noon while the couple received friends and neighbours during the afternoon and evening.

Born in Belleville, Mr. Bleecker as a young man, worked in the Belleville Post Office but returned to his father's farm in the 7th concession of Sidney before he was married.

Still actively engaged in the raising of beef cattle, although not on the homestead where they lived almost all of their married lives, Mr. and Mrs. Bleecker have built a new home on a second farm nearby.

"But we still keep about 20 head of Scotch Shorthorns and Herefords," Mr. Bleecker said.

Mrs. Bleecker is the former Laura Cummings.

A life member of the Belleville Fair, Mr. Bleecker served as fair president for two years, was secretary for nine years and acted as treasurer for a ten-year period.

He recalls the Belleville Fair being held on the "old" fairgrounds (where American Optical is now located) and remembers driving cattle from his Hallows farm to show at the grounds. He is also a director of the Stirling Fair.

He is former president of the Ontario Association of Agricultural Societies.

"Ben", as Mr. Bleecker is popularly known, has also taken an active interest in municipal affairs and served for 14 years on his township council, two of them as reeve, and for 15 years on the school board.

He has also taken an active interest in the affairs of Marsh Hill United Church and for 30 years was recording steward for the Foxboro charge.

The couple have three children,

two daughters, Mrs. Gerald (Bessie) Frederick, of Peterborough, and Mrs. Charles (Evelyn) Murphy, of Toronto, and one son, Donald, of Foxboro. There are four grandchildren.

Awarded Snow Cruiser Franchise

Stirling Lumber Ltd., of Stirling, has been awarded the Snow Cruiser franchise. It has been announced. This new recreational snow vehicle, which is revolutionizing winter sports, will be available for demonstration rides following the area's first snow fall.

Built by Outboard Marine Corporation in Peterborough, Ontario, the Snow Cruiser is the most powerful and luxurious snowmobile on the market. It will carry a family of three across almost any type of snow-covered ground at speeds of 30 miles per hour.

"It can be used to tow skiers, pull toboggans or cruise into the summer cottage on winter week ends," said Don Rodgers. "Farmers also find it ideal for crossing their fields in winter to make off-season repairs, cut cordwood or clear brush."

The Snow Cruiser which will soon be on display at Stirling Lumber Ltd., will sell for \$795.00.

Girl, 4, Dies As Parents' Home Burns

A four-year-old girl sleeping on a bed in her parents' bedroom was burned to death Monday afternoon when fire destroyed a small one-storey home, one mile east of West Huntingdon.

Dead is Gena Woodcocks, only child of Mr. and Mrs. Ronald Woodcocks, R.R. 1, West Huntingdon.

Mrs. Woodcocks was operating a vacuum cleaner in her small converted garage home, when she noticed the fire about 3.00 p.m.

She ran outside to get help but when the grandfather, Floyd Woodcocks tried to enter the house he found his way barred by a wall of flames.

Another neighbour attempted to gain entry through a window but he was also driven back. Nothing was saved from the burning home.

Pentecostal Tabernacle

Sunday, October 11th, at 7.30 p.m.

The Pastor will be answering these questions
from the Word of God:

Is the Bible full of myths?

Is the Bible record of the creation inaccurate?

Are the stories of the Garden of Eden, Cain and Abel, Noah's Ark and the flood just myths?

Are the stories such as David and Goliath, Jonah and the whale just folklore or tall tales?

Is belief in the Virgin Birth of Christ unnecessary?

Are the Christmas Star and the Angelic Chorus just legendary?

The answer to all these questions is YES, according to the newly-adopted Sunday School Curriculum.

River Valley W.I. View Slides Of United Nations

The October meeting of River Valley Women's Institute was held Saturday evening, October 3rd, at the school house with over forty men, women and children in attendance. The table decorations were two Somerset linen towels which had been gifts from Abbot's Leigh W.I., in England. Mrs. Allan McDonnell was hostess

and welcomed the guests as they arrived. Mrs. Malcolm McMullen provided over the leather board guest book, another gift from the link Institute.

Mrs. Vernon Harry opened the meeting and conducted the business. Mrs. Philip Conley was pianist. The assistant secretary, Mrs. George Heasman, gave her report. The treasurer, Mrs. J. R. Donohoe, gave a full financial statement. The transportation to the Area convention and the delegates' expenses were paid. Seventeen members were in attendance at

the meeting.

The correspondence included letters of thanks and invitations. The convenors reports were as follows: Citizenship and Education, Mrs. Allan McDonnell read an article which advised mothers to always dress their pre-schoolers in red outfits; Historical Research, Mrs. John Bewick read the Story of "Pig Street", which appeared in The Stirling News-Argus on Thursday, October 1st, and had been written by Mrs. Roy Bush; Public Relations, Mrs. Percy MacMullen read an invitation to all the ladies to attend "A First Tweedsmuir Tea", on Saturday, October 24th, from 2 to 4 p.m., in Quinte Institute Memorial Hall, sponsored by the twelve branches of Hastings East District; A.C.W.W., Mrs. Roy Tucker read an article from the September Countrywoman magazine. This gave a descriptive account written by Mrs. Brownlee, of Englehart, Ont., telling how Dack W.I. displayed letters, pictures, pamphlets, cook-books, gifts received from pen pals in Scotland, Wales, Australia and South Africa. The Pennies for Friendship were gathered; Friendship Link, Mrs. Percy MacMullen read a letter from Mrs. N. Coombs, link secretary of Abbot's Leigh W.I. in England. This Institute had a busy year. The garden party held in July was a great success. They entertained all the elderly people of the Village at an afternoon outing at Cladown Monar, at Bath, England and also raised a great deal of money for local improvement. She sent greetings to all the River Valley Institute members.

Business

The business portion of the meeting included a reminder that the Millinery Course at St. Paul's United Church was to be held October 5th to 7th. The River Valley Cemetery Board are sponsoring a Come and Go pie social at the school house on Friday evening, October 30th to raise funds to hire a caretaker in 1965. The Institute members were asked to donate pie.

An invitation to visit Seymour East W.I. Come and Go tea at Menie Hall on Saturday, October 17th, was

accepted. Motions were made to renew the subscription to the A.C.W.W. magazine, "The Countrywoman" and to provide funds for the Girls' H.I. support club supplies. The leaders for the training school, "Focus on Pinches" will attend and then relay their information to the interested members.

Programme

Mrs. Roy Tucker presided over the programme which she had arranged. Miss Marilyn Conley and Mr. Ralph Johnson conducted a sing song of special items which had been written on the blackboard. Miss Linda Morrow contributed a vocal selection with her mother, Mrs. Harry Morrow, as accompanist.

Guest Speaker

Mrs. Percy MacMullen introduced the guest speaker, John Svoboda, a student at Albert College. This summer he was sponsored on a pilgrimage to the United Nations by I.O.O.F. and Rebekah Lodges of District 45, which comprises lodges in Stirling, Campbellford, Madoc, Tweed, Thomassburg and Spring Brook. He is a son of Mr. and Mrs. John Svoboda of Mill Street, Stirling.

Message

John gave a very informative and educational message and stressed the importance of individuals to understand the work of The United Nations and to give it their financial support. The U.N. has a budget of forty thousand dollars for a year and its job is to keep the whole world running smoothly and peaceably. If each teen-ager contributed ten cents per year, much more could be accomplished. The speaker gave a picture of the General Assembly which is an International Court of Justice and the main job is to better world conditions. Various organizations assist and the local Women's Institute is linked through its head organization in the work of the Associated Countrywomen of the World. Through Pennies for Friendship and other contributions from A.C.W.W. there is scope for Health Safety, and a chance to help people to help themselves. The various nations have to ask for assistance and prove that

they need it. The speaker gave a very descriptive account of the numerous rooms in the U.N. and what goes on in the Sessions. We as an organized group of people must be concerned about the work of the United Nations and we must be vitally interested in people who cannot read, cannot write and who haven't enough to eat.

John then showed four sets of slides, the first was pertaining to the United Nation Buildings, etc; the second gave a picturesque view of the entertainment part of the pilgrimage. There were gorgeous flowers and wonderful scenery, the famous glass wall, views of bridges, churches, the Yankee Stadium, hospitals and other scenes in New York City. The World's Fair scenes showed tropical plants, various old world villages, and many of the important concessions at the Fair. The last set of pictures covered various points of interest that were visited along the way, such as, Valley Forge Park, Washington Cathedral, Mount Vernon, the ancestral Washington Mansion, the resting place of John F. Kennedy, at Arlington, the Lincoln Memorial, Tomb of the Unknown Soldier, The White House, The Gettysburg Battlefield and several views of rooms in the Vanderbilt Mansion. Thus the trip ended with scenic views of Niagara Falls. This was a very educational commentary and address. John will be giving his address at each Lodge in District 45, thus several people will have the opportunity to view

them again.

Thanks

Mrs. Roy Bush voiced appreciative thanks to John for the success of his first speech and he was the recipient of a small gift of remembrance for which he voiced his thanks.

Motto

Mrs. George Heasman co-convenor of the programme, gave the motto entitled, "Mirrors or Windows". She also read an article of interest from Ethel Chapman's Book.

The president, Mrs. Harry, conducted the closing exercises and the hostesses and lunch committee served refreshments.

Mrs. Charles Wilson voiced thanks for hospitality and lunch.

Trent Valley Area W.I. Given Financial Report

From April, 1963, to March 31st, 1964, a grand total of \$12,500 was spent by the 81 branch institutes in the seven districts of the Trent Valley area. This was an increase over the previous year of \$1,400.

There was an increase in cash donations to other organizations outside Institute authorized projects, however, most of the members designed their gifts in the accepted departments of work authorized by the Federated Institutes of Ontario, the Federated Institutes of Canada and the Associated Countrywomen of the World.

The total monies for the five departments of authorized Institute work was \$16,395. The public relations officer of the area, Mrs. Percy MacMullen, released the following figures in her recent area report: Women's Institutes' projects amounted to \$1,300 which covered international scholarship, Adelaide Hoodless Homestead, foundation fund, UNESCO coupon plan and the Pennies for Friendship fund. Women's Institutes' educational was \$3,300 which covered delegates' expenses to officers conference, district annual meetings, area conventions, senior leaders to training school, girls' Club work, Tweedsmuir histories and museums, reception for Mrs. Van Beehoff, for folk school and various other activities.

Community projects educational amounted to \$1,600 which was for local scholarships, contribution to libraries, prizes for school competitions and for retarded children. For health the Institute members contributed over \$350 for hospitals, clinics and miscellaneous items.

The biggest item was under contributions to the community with almost \$4,000 expended and this department had an increase of \$400. The beautification was almost \$300; recreation almost \$1700; bus trips, \$100; halls, kitchens, and dishes were \$520; gifts, blankets, quilts, food money and funeral wreaths, \$300; sick and shut-in folk, \$415; Legion, cemeteries over \$112; agriculture and horticultural societies, \$44.

Thus the branches helped to build public relations at home and abroad and the Institute members shared their abundance with others. Women realize that it is a privilege to be a part of the Women's Institute which is the largest rural organization of

women in the world today.

The Trent Valley area members are ever striving to live up to their motto, "For Home and Country".

The guest speaker, Mrs. Amy Homewood, Belleville Salvation Army, was introduced by Mrs. Barton Haggerty.

Mrs. Homewood, with her husband, is in charge of all the youth work in the area between Gannanque and Whitby.

Mrs. Homewood was born in China, the daughter of missionary parents. Before coming to Canada, she had spent five years in India. She wore the uniform worn in India, a white sari, with red border. The sari is the national costume of India although every area wears it a bit differently.

Mrs. Homewood showed children's and adult costumes, shoes, etc. She told what food was eaten. The National Council of Churches send out powdered milk and anti-malaria powders.

Mrs. Homewood spoke of the great difficulty in learning the different languages, but said all could understand the language of love. As one learned of the sacrifices of these Christians one could not help but feel that our service in comparison was very poor in spirit.

Mrs. Thos. Dodds expressed thanks

to the speaker and presented her with a small gift.

Mrs. Wm. Donnan and Mrs. A. Hassall sang a duet and the programme was brought to a close by a song service of familiar hymns. Lunch was served.

Salem U.C.W. Entertains

Thursday afternoon Salem church was filled when the ladies of the U.C.W. were hostesses to U.C.W. from Mount Pleasant, Wellman's, Bethel, Carmel, Stirling, West Huntingdon, Bethesda, Beulah, Spring Brook and St. Thomas.

The president, Mrs. Everett Sine, opened the meeting with a poem entitled, "Theology", following which she extended a warm welcome to all on behalf of herself and the ladies of Salem. The theme hymn was sung and General Thanksgiving repeated in unison.

Spring Brook U.C.W. then took charge of the Devotional period. Mrs. C. Sine presided at the piano. Mrs. Murney Mason read a poem. Hymn 441 was sung. Mrs. Lorne Bailey read the Scripture Lesson and Mrs. Mason gave the meditation containing much food for thought. A hymn and prayer closed this devotional period.

The offering was then received, followed by the programme.

Mrs. Don Heath, of Bethel, gave a reading, entitled, "It Wouldn't Be Fall". Mrs. Harold West, of Stirling, accompanied by Mrs. Bill Heath, sang "Thanksgiving". Mrs. Lindsay Tanner, of St. Thomas W.A., read two poems, "Because You Prayed" and "How To Have a Good Garden". Mrs. Ken Tompkins, of Wellman's, sang "How Great Thou Art", accompanied by Mrs. Bill Heath. Mrs. Keith Bray, of Beulah, gave two readings, "Today Only Shall I Dare" and "Music in the Bible". Mrs. Marguerite McMullen, of Mount Pleasant, sang "Open Thine Eyes", accompanied by Mrs. Ken Weaver.

Mrs. Tom Clements then also extended a welcome to all, expressing

thanks to those taking part in the programme and introduced the guest speaker, Mrs. Smith, of Newburg, who is president of Belleville Presbyterial. She spoke on the new curriculum of the Sunday School and explained very precisely its worthwhile meaning and use in each phase of Church work.

Mrs. Mel Wickens thanked Mrs. Smith for her very informative address and presented her with a gift. The Benediction and a hymn closed the meeting.

Mrs. Sipe then invited all to the church hall for lunch. Mrs. A. Pyear, of Carmel, thanked the ladies of Salem for their very worthwhile afternoon and bountiful refreshments, and also mentioned Mrs. Smith for her timely message.

'65 Fairlane-Excitement in Style

(A New World of Value)

Fairlane is the car that's built a unique reputation for ruggedness, reliability, and value. And now, for '65, we've added new values.

Outside, this new Fairlane is crisp and clean, with a trimness that makes it easy to park, easy to handle in traffic. Inside Fairlane offers the room of many larger cars, with beautiful new upholstery and a new, smaller steering wheel that is easier to handle.

But Fairlane's combination of nimble handling with big car comfort is only part of the story. Low price makes everything about the Fairlane doubly appealing.

The new standard "Six" has 120 hp and the smoothness and durability of a 7-main-bearing crankshaft. There is a bigger standard V-8 of 200 hp, plus an optional 225 and 271 hp—with a choice of three transmissions (3 and 4-speed manual and Ford's 3-speed Cruise-O-Matic).

As you can see, the "Fabulous Fast-selling Fairlane" is even better for 1965—because it offers all this new value at Fairlane's low price, plus excellent operating economy. Ask a Ford Dealer for a Test Drive soon, and bring the whole family—we build them for family fun.

An Important Part of Our Business

Repairs or Servicing

What Happens When You Bring Your Watch In and Say: "Clean It"

The watch is completely dis-assembled. Each part is carefully washed off with a cleaning solution and placed in a cleaning machine. (All except mainspring, hands and dial. This assembly then goes through three specially prepared solutions, a cleaner, and two rinses — then into a heated chamber whereby each component is thoroughly dried. Each item is carefully inspected for wear, bent teeth, rust, bent shafts or any other damage, then the watch is re-assembled, with each jewel or moving part being carefully oiled. (Watch oil costs about \$600. — Yes, \$600. per gallon). This is not so expensive when you realize that 1 DROP must oil 6 to 8 watches — (If more than this amount is used, then the watch must be re-cleaned. The watch is then left on a repair board for 24 hours for timing purposes.

This entire assembly can take up to an hour or more — depending on how complex the time piece is.

Now, supposing a watch repairman works at his bench for 6 hours per day (which is seldom), and supposing he repaired 6 watches per day — There are approximately 255 business days per year — This amounts to 1530 watches repaired.

Think of the number of people who have one watch and, sometimes, two or more.

Consequently, we must ask that each person take his turn for repairs, otherwise, some one will wait only a few days, while others will be kept waiting for months.

PRESCRIPTION FOR UNDERSTANDING

People should have a family doctor, but they shouldn't wait until they're sick to find one.

This is one of several pieces of advice patients will be reading in the doctors' waiting rooms. It is contained in a pamphlet produced by the Ontario Medical Association for distribution to the public through member doctors.

The eight-page pamphlet, titled Prescription for Understanding, is printed in two colours and is attractively illustrated.

Some typical comments —

On the doctor-patient relationship: This is best established when patients have a family doctor who looks after their health needs and refers them to appropriate specialists when indicated.

On scientific advances: Medical knowledge doubles every ten years; the changes that have taken place enable the doctor to look after more patients more efficiently, more effectively, and with a greater degree of certainty than ever before.

On unnecessary house calls: Doctors urge their patients to come to their office whenever possible because better care is available in the doctor's office than in the patient's home.

On calling by telephone: When the doctor is with a patient he should not be disturbed by unnecessary calls; the patient has the right to expect the doctor's undivided attention.

On emergencies: Call your family doctor; if he cannot be located immediately, call the emergency medical number in the telephone directory or contact the nearest hospital.

Read medical insurance contracts carefully and direct questions to the insurance carrier, not the doctor.

On misunderstanding: If problems cannot be resolved through discussion with the doctor, write to the Ontario Medical Association.

BIRDS OR HUNTERS?

This is the time of year when the blast of shot guns is heard in the marshes and uplands. The Ontario Safety League reminds duck and grouse hunters that shot guns were involved in nearly half the hunting accidents which occurred in Ontario during 1963. And well over half of these accidents happened because a gun was accidentally discharged.

It is suicidal to carry a loaded gun in an automobile, or a boat that is not anchored in a blind. A gun should never be left in a position where the movement of a boat or dog might cause it to fall down and discharge. Gun muzzles should be pointed away from other hunters at all times. Hunters should sit close enough together in a blind or boat that it would be impossible for them to get into each other's line of fire. It is a good idea, both for good shooting and safety, to choose a captain or leader who is an experienced hunter, and plan your hunt ahead of time. In this way everyone is familiar with the hunting strategy and safety rules to be used.

Grouse hunting brings other hazards; accidental discharge of guns from stumbling or triggers caught on brush, and fellow hunters getting into your line of fire as you swing on birds.

Let your hunting be judged by the pleasure of being in the outdoors, not by weight of your game bag. Remember, there's always another day, another year. The Ontario Safety League reminds you that one human life is not worth any amount of game.

LETTERS TO EDITOR: EXPRESSION OF OPINIONS

(This is the sixth in a series of editorials explaining how a weekly newspaper functions.)

Like all newspapers, the Stirling News-Argus publishes communications or letters to the editor, when we receive them. They are expressions of the opinions our readers hold upon matters of public interest.

Often conditions arise in every community that make certain phases of community welfare appear unsatisfactory. They can often be rectified simply by voicing a complaint in the local newspaper. Such action arouses interest, creates arguments, and sometimes rights the real or imaginary wrongs.

The Stirling News-Argus has always held to the policy that the full name of the author should be published along with his letter. If a man has an opinion he should be willing to back it with his name. However, many people will not have a letter published over their signature and we do allow pen names, provided the author's real name is known to the editor.

The letters-to-the-editor column should be the editorial comment of the subscribers. It allows everyone an effective voice in the affairs of the community. Thus, if you have something constructive to say on a public matter or something you want the community to know about, write a letter to the editor. If it is not libelous and doesn't offend good taste, it will be published.

From the errors of others, the wise man corrects his own.

TWENTY-FIVE YEARS AGO

St. Paul's AOTS

The monthly meeting of St. Paul's AOTS Men's Club was held at the church on Wednesday, October 7th.

The supper got underway at 6.30 p.m. and in addition to the Stirling Club members present, there were 11 guests from Tweed.

Ted Reynolds led the men in a sing-song and then Ted honoured the men with a solo. Allan Wells was presented with the Past President's pin by M. Scott.

The highlight of all the Men's Club meeting is the devotional, which is always given by one of the members. Don Williams did an excellent job, leading the men in spiritual meditation.

The guest speaker, the Rev. James Payton, who is the United Church minister in Tweed, was introduced by Elwood Bateman. Rev. Payton's topic was "Boys and Youth Work in the Church", and as part of his address he had five boys from his Sigma C group in Tweed render two musical selections. They were accompanied on the piano by Mr. Fred Porter, also of Tweed. Mr. Payton stressed the fact that Boys' and Youth work was the obligation of any minister, church or church group, since the foundation of the Church must begin with the young people.

He pointed out that the Boys' Club in Tweed had grown from twelve boys, three years ago, to fifty-six members this year. He ended by urging Stirling to start a Sigma C, and added that such a Boys' Club would not be in opposition to Cubs and Scouts, but would be an asset to them.

Guests from Tweed included the five boys, Ken Bronson, Bobby Cotton, Larry Jardine, Jimmy Simons and Donald Barnett. Other Tweed visitors were Clarence Wood, a former Stirling citizen, Fred Porter, Howard Connor, Carmen Cotton, Clarence Graham, Charles Porritt and Keith Cotton.

The meeting ended with the Benediction by Rev. P. J. Hommersen.

Other good games were — Greg. Dafeo, 178, 155 (328); Jim Duffin, 170 (309); Cheryle Conley, 168 and Vickie Hay, 161.

On Saturday morning, October 1st, Greg. Dafeo's Wild Cats took all five points from Vickie Hay's Cave Kids. Ken Green's Munsters were 3 to 2 winners over Jane Coughlan's Mustangs.

STRAIGHT SHOOTING

Most hunters pride themselves on common sense and good sportsmanship. They do not abandon wounded animals, for example, nor do they expose other people to danger from their firearms. Yet every autumn, certain non-thinking individuals violate the code by taking chances that could just as effectively end in tragedy as if a random shot were taken into a family home. This type of person, perhaps disappointed at returning with an empty bag, relieves his frustrations by taking pot shots at vital telephone cable. Eventually rain seeps into the damage, disrupting communications and leaving entire families — often in remote areas — without the protection of telephone service. Since this type of "hunter" never knows that a doctor or police or firemen couldn't be called in time because the telephone was out of order, his conscience never bothers him. Presumably if he took a pot shot through a window and scurried away, his conscience wouldn't bother him either.

CIRCLES WORTH KNOWING ABOUT

Among important safety practices by telephone employees on and off the job is the "Circle of Safety", a habit encouraged in all drivers of telephone vehicles.

Before starting to drive, a telephone man walks completely around his car or truck to make sure no small child or inquisitive animal is under or even near it. He also checks for assorted toys, bicycles and other obstructions, open doors or improperly secured locks.

Another "circle of safety" is the dial on a bedside extension phone. It puts fire and police protection at your fingertips all through the night. And whether your bedroom is upstairs or down, a bedside extension saves steps day and night.

Make yours a Princess phone! It's little... small enough for your night stand... It's lovely in appearance, and its built-in light means you can dial that call without switching on a lamp.

Stirling's new telephone directly will be going to press shortly, so please check your listing. Is your name spelled correctly? And what about your address and phone number? Have you thought about additional listings? Other members of your family and relatives, roomers or boarders would benefit from having their names listed in the telephone book. If you're a businessman, you can use extra listings to show other firm names for your business — to associate your name and residence telephone number with your firm name — or to show after-hour numbers for your year and your key employees. Remember, extra listings, at little cost, make it easier for people to find you. For any changes in your listings, or any additions, call our Business Office without delay.

Final Phase Of Foxboro--Madoc Road Completed

Long time dream on the part of county councillors and of motorists in the area, the Hastings county road between Foxboro and Madoc has now been completely rebuilt and paved.

Paving of the final phase of the rebuilt county road between Foxboro and north of Halloway has now been completed and the detour signs have disappeared.

Traffic is now passing over the newly-paved stretch but the go slow sign is still in effect as workmen complete shoulders on the roadway.

The Foxboro-Halloway section of the county road now passes almost entirely through open country with only one or two houses on the new route.

Re-building of the Madoc road has been extended over several years and was actually completed in four stages.

The first stage south from Madoc

to just below Moira Lake was completed several years ago. The next section to be completed was from south of Moira Lake to Ivanhoe, and then from Ivanhoe to north of Halloway, which was completed last year.

For many years efforts have been made by county council to have the Madoc county road taken over as a provincial highway.

This, however, was not agreed to by the Ontario Highway Department, which in turn, offered to rebuild the road as a development road project with the county to continue responsibility for maintenance.

Clarke T. Rollins, MLA for Hastings East, along with the county road committee took a leading part in getting the Madoc road rebuilt.

WILLIAM JAMES BURTON
(BURT) HEAGLE

William James Burton (Burt) Heagle, of R.R. 1, Harold, Ont., died suddenly at his residence on Wednesday, October 7th. He was in his 58th year.

Born in Rawdon Township he was the son of the late Mr. and Mrs. David Levitt Heagle. He had lived in that locality all of his life.

He had operated a farm in that area for a number of years and was a member of Salem United Church at Harold. He was also a member of Tanner Lodge, L.O.L., No. 509.

Surviving are his wife, the former Leafa Hay and two sons, Paul, at home, and Glenn, of Toronto.

Also surviving are a sister, Mrs. A. W. (Vera) Alcombrack, of Toronto, and a brother, Melville, of Oshawa. He was predeceased in 1963 by a sister, Miss Edna Heagle.

The funeral took place at his late residence where service was held on Saturday, October 10th at 2 p.m. to Salem United Church for funeral service at 2:30 p.m. Mr. E. Munro officiated. Interment, Stirling Cemetery.

The pallbearers were Messrs. Lindsay Tanner, George Sine, Ivan Sines, Lorne Hagerman, Kenneth Sine and Ed Coldeen.

An L.O.L. Memorial Service was held on Friday, October 9th, at 8 p.m.

Fine Two Men For Entering Cheese Factory

Two men convicted of breaking and entry at the Shamrock Cheese Factory near Stirling last month were sentenced Friday morning to post \$200 bond each, to pay a \$100 fine each and to pay nearly \$50 each restitution. Carmen White and James Heimstra, both of Trenton were tried in Marmora, along with Clifford Fitzgibbon, who was sentenced Thursday to spend three months in jail.

Magistrate T. Y. Willis warned the pair that their sentence is, in a sense, similar to a suspended sentence. They can not, he said, be sent to jail on this charge if they are found guilty of another breach of the peace within the specified time, but they would lose their bond money. He said, however, that both men now have recorded convictions of breaking and entry, which would make a jail term almost automatic if they are again convicted. Magistrate Willis described the sentence as "not usual, but not so unusual that it is odd".

Remember, you can't lift yourself by downing others.

OF MANY THINGS

(By Ambrose Hills)
THE MYSTIC VALUES
OF FREEDOM

A great deal of effort is made by free countries to persuade developing nations that they should not set up rigid bureaucracies, but should use a free-enterprise system instead. This is a tough job. There is no one quite as bureaucratic as the new bureaucrat, with his new uniform and new powers.

It seems to me that freedom cannot be sold to such people on its economic values alone, although the free nations are a show-case of abundance compared with nations where compulsion is the rule. Those who have not known abundance cannot believe that freedom will bring it, nor do they even know quite what it is. They read about or hear about or accidentally get a look at the affluence of Canadians or Americans, but many of them think the ordinary people possessing it must be special officials or lucky millionaires.

I believe the mystic values of freedom would be more readily accepted. Even the people in the least developed countries know there is something special about the man who speaks right from the heart, in freedom, instead of censoring his every word to what he believes others think or prefer to hear. There is something forceful about a man or woman who acts from an inner conviction instead of from outer compulsion. It may sound mystical, but it is understood, because each person at some time or another has experienced the glow that comes from acting or speaking as one feels he ought to speak or act, not caring at all whether there is another soul in the place who agrees.

When the good Lord gave us freedom, a knowledge of good and evil, a right to choose, it was a mystical gift indeed. It allowed for soul-testing, for development, for falling and rising. It was an individual gift to each of us. It conferred the chance to make mistakes and suffer the consequences as well as the right to succeed and reap the rewards. Even the savages understand this, because it is part and parcel of human experience.

And come to think of it, we citizens in this open society of ours might do well to review the mystic values of freedom from time to time ourselves.

Stirling District Memorial Arena Fund Off To A Good Start

Project Approved As A Centennial Project — Contributions Tax Deductible

The campaign to raise \$25,000.00 for the Stirling District Memorial Arena is receiving generous public support. Last Monday evening some 50 volunteer canvassers met at the Council Chambers prior to starting out on a house to house appeal for financial support. Each team of canvassers has been assigned a specific area of the town or district. The public is asked to welcome these volunteer workers and give their appeal a sympathetic and generous reception.

Prior to the meeting, Finance Chairman, Mr. Harold Wells, talked with government representatives, and as a result of the discussions, the following may be reported:

(1) The Stirling District Memorial Arena will be approved as a Centennial Project. This means that the arena project will be eligible for the Federal and Provincial grants allowed for such Centennial projects. While no official figures are known, it is expected that such grants will be of considerable assistance.

(2) All donations to the Arena Fund will be approved as deductible for income tax purposes. At present, the canvassers are issuing temporary receipts, however, the Arena Fund Treasurer, Mr. W. L. Pollock, will mail official receipts at a later date.

The Finance Committee asks all local and district canvassers to complete their work on or before Thursday, October 29th. Plans call for all canvassers to meet in the Council rooms on Thursday, October 29th to report their final figures.

The Finance Committee has also decided to publish the names of all donors from week to week. Amounts will be indicated where the donor wishes. It is expected that an appeal for financial assistance will also be mailed to many former residents who might wish to remember their home town by a financial contribution.

Anniversary Services At St. Paul's Well Attended

Both in point of attendance and enthusiastic interest, the anniversary services of St. Paul's United Church held last Sunday, stand out among the many fine services through the years. It was a great day and will long be remembered by all who shared in their inspiration and good cheer.

Rev. P. J. Hommersen, B.A., B.D., minister of the congregation, was in charge of the services, while Mrs. Harry Brown presided at the console of the organ for both services.

The large congregation present both morning and evening gave a most attentive hearing to two splendid sermons preached by Rev. Morgan Rowland, of Windermere United Church, Toronto. Rev. Rowland is well-known to many in this district, having attended school here when his father, the late Rev. E. W. Rowland, was minister of St. Paul's-Carmel Church for eight years.

CHURCH ANNIVERSARIES

In recent weeks, several of the churches of the district have been holding their Anniversary Services and several more are scheduled for the future. In rural sections, these are events of great importance. In some respects they are like old boys' and girls' reunions. Not only do the people of the immediate vicinity attend, but former residents of the district come back home to attend the big event in their home church's year, the anniversary.

There is something encouraging about the interest taken in these events! When people will travel many miles to return to the church of their childhood days at least once a year, it shows that the lessons they learned in the old buildings many years ago have not been forgotten, that the religious teachings of those days have taken deep root in their hearts and minds.

Local hunters are oiling up their trusty guns in readiness for the annual deer hunt. Frequent reports are heard of deer being seen in the northern wilds and there are sure to be plenty of hunters leave from this district. Let's hope they all return.

A mule cannot pull while he is kicking — and he cannot kick while he is pulling. Let us all pull together for the betterment of our Village and the surrounding community.

SHARING — A WORLD RESPONSIBILITY

It is an established fact that the world's population of children is rapidly increasing, that more than 500 million youngsters go to bed hungry, are disease-ridden, can neither read nor write, have little future for gainful occupation. What is to be done? Who is to do it?

UNICEF (United Nations Children's Fund) has accepted a share of this moral obligation. UNICEF is not a charity — it is a two-way street. Any local government wishing UNICEF assistance applies in writing to the International UNICEF body. Having surveyed its own need, it requests aid in such specific areas as disease control, milk processing plants, mother and child clinics, school equipment. But every dollar expended by UNICEF the local government provides \$2.50 in buildings, personnel and local products.

UNICEF respects the self-help on the part of local governments. Of necessity this is limited by the economy of each developing country. But UNICEF is world-wide. It needs the financial assistance of intelligent world citizens. Coins dropped in the UNICEF Hallowe'en boxes, collected by the Brownies on your street, make possible a fairer, more equitable future for the world's children.

LOCAL CORRESPONDENTS SERVE COMMUNITY

(This is the last in a series of editorials on how a weekly newspaper functions.)

Without its District correspondents, a weekly newspaper would contain little news. Correspondents are essential to the gathering of news of the District.

This is particularly true in a District such as the News-Argus serves. We try to record the happenings in the surrounding district as well as in Stirling and it is impossible for our small staff to attempt to cover it all from one office. Local men and women, living in the surrounding communities, knowing their residents, are the ones who can and do gather our District news.

These correspondents are performing a public service to their communities. They chronicle the doings of its people and report the meetings of community organizations. A good District correspondent is a valuable aid in the building of a live, definite community.

Without the aid of our District correspondents it would be impossible for this paper to carry all the news it does from the various communities of the Stirling District.

In closing this series, let us review the main points we have tried to establish:

A weekly newspaper is a business enterprise providing a public service for a profit.

Advertising, the main revenue of a paper, is dependent on circulation.

Under modern conditions, no newspaper need have its advertisers influence editorial policy.

The publisher is responsible for every word published in his paper — signed letters and paid advertisements included. The local correspondent is providing a community service to the District in which he or she resides.

Honoured on 35th Anniversary

The sun shone on Thanksgiving Sunday as brothers and sisters gathered at the home of Mr. and Mrs. Morris Pulver, to do honour to Mr. and Mrs. Gerald S. Brooks, Stirling, R.R. 4, on their thirty-fifth wedding anniversary.

A corsage of baby pink tea roses and a carnation boutonniere presented to the couple by Mr. Ronald and Miss Sandra Green, were pinned in place by Miss Linda Pulver.

Mrs. Morris Pulver invited the guests to the buffet dinner table. The table was covered with white linen with a decorated wedding cake, crimson carnations and pink tapers as centerpieces.

The bridal couple and the groomsmen, Mr. Clifford Green, Indian River, shared the head table.

After dinner, visiting and reminis-

cing were enjoyed and pictures were taken.

With a few appropriate words from Mrs. Kenneth Green, the very surprised couple were presented with a gold frieze swivel rocker. Gerald replied suitably and Helen added her thanks.

An Every Day Suggestion
You may think that nobody likes you; That no one cares a hang. But someone is taking notice. If you're every inch a man. Someone will surely accuse you. Chatterton W.I.

The October meeting of Chatterton W.I. was held at the church hall with Ivanhoe and Pine Grove Institutes as guests.

The president, Mrs. Carson, opened the meeting with the Opening Ode, Mary Stewart Collect and O Canada, followed by a word of welcome to the guests. She also gave a reading, "October Leaves". The roll call was answered by everyone present with "Your Name and Branch".

The minutes of the last meeting were read and correspondence dealt with, followed by singing the Hymn of All Nations.

Mrs. Ben Bleeker was in charge of the programme which opened with a reading, "How to Get Along With People". Misses Leslie and Nicky Gardner favoured with several folk songs, which were well-received. The Pine Grove ladies staged a "Fashion Show of Hats", depicting the talents and arts of those participating, which included music, cooking, gardening, etc. Mrs. Allyn Finklo acted as commentator. Mrs. Pollock, of Ivanhoe, read "Towser Must Be Tied to Night". Mrs. Ivan Clare, of Pine Grove, favoured with a medley of piano numbers. Mrs. B. Haggerty, of Ivanhoe, read "Partridge Time", followed by a round of community singing.

Mrs. Bleeker introduced the guest speaker, Mr. Bram Humphries, of Belleville. After expressing his appreciation for being asked to speak, he led in a song, "When the Roll is Called up Yonder". Mr. Humphries related the story of an old Roman road that runs from Antwerp, through Holland to Belgium. In early years, this part of the country was heavily forested, although today it is all built up into towns and farms. In the early days, people travelled this road chiefly by foot and usually carried their valuables on their person, only to be struck down by a giant of a man who lived in the forest, who relieved them of their possessions. On one occasion, a very rich man, who was travelling this road, dropped to his knees in the act of prayer before the giant struck. The giant, astonished at what he saw, watched to see what the man was doing. Meanwhile, three more travellers came upon the scene and the giant realized he was outnumbered, fled into the forest, never to be seen again.

This rich man built a church at the spot where the incident happened some 500 years ago and it is still standing. This church, named "The Little Church of Hassel" in Tilburg is very unique and small to our standard of churches. Its architecture is old with its small windows and the

heavy oak doors make it stand out. Inside, the pews are box formation with the altar at one end. Around the walls are carvings and pictures, while in the corner next to the altar stands a miniature forest with a road running through it and a man kneeling in prayer. This is a memorial to the man who built the church.

The church still has its doors open to the public and anyone going to Holland may visit there.

Mr. Humphries recited one of his many pieces of verse, by request. Mrs. Bleeker thanked the guest speaker and those taking part in the programme and closed with the Queen and Institute Grace.

The ladies served a bountiful lunch and a social half hour was enjoyed.

The next meeting will be held at the home of Mrs. C. Gardner.

St. Paul's U.C.W. Unit Four

The United Church Women of Group Four, met on the second Tuesday of the month for their Thanksgiving service and study. The room in the Sunday School was beautifully decorated in Autumn colours and fruits and vegetables of the season gayly adorned the tea table.

Worship

Mrs. H. Wells opened the meeting and asked Mrs. H. West to proceed with the Devotional Service, she being leader of the October committee. The Scripture Lesson was read by Mrs. W. West. A psalm was also read in unison and Mrs. Hommersen spoke on "Thanksgiving." Mrs. H. West gave the meditation which dealt with "Other Gods We Worship", closing with a hymn and prayer. Mrs. H. David acted as pianist and the hymns were most inspiring.

Business

Mrs. Wells again chaired the meeting for business, calling on Mrs. E. Warren for the minutes of the September meeting and Mrs. J. B. Hough for the report on finances. Proceeds from the tea and bake sale held at Mrs. E. Warren's, were most gratifying. The bale of used clothing will be packed at the Church on October 28th. For the Bazaar on November 21st, Mrs. R. Hatton requested donations of costume jewellery, as this was in popular demand on previous occasions. The bazaar committee is requested to have their report ready for the general meeting in November.

Mrs. L. Thompson and Mrs. C. Davidson represent Unit Four for the October visiting. Mrs. Hommersen offered to assist for Unit Three.

November 6th is "Fellowship Day". The meeting is to be held in the afternoon at St. John's Anglican Church.

The women were asked to plan to be there.

Study

The Study, prepared by Mrs. Pollock, was read by Mrs. Earl Eggleton, as Mrs. Pollock was unable to attend the meeting. It described the many opportunities in India today, as, since her independence, gained in 1947, she is manifesting an amazing newness of life, economically and politically — new industries, development of hydro power, and transportation facilities; one of the greatest changes being in the world of women, since they have obtained the franchise.

Today, there is need for national leaders to further Christian teaching in co-operation and this great industrial development and the missionary must go as a fraternal worker to serve in whatever capacity requested by the Church of India. Mrs. V. Richardson gave a few splendid thoughts on Stewardship, presented by the Secretary, Mrs. R. Patterson, after which Mrs. Wells closed the meeting.

Closing

The tea hour was family style — all seated at the table together, a pleasing change. For the splendid meeting and lovely lunch, Mrs. Hommersen expressed thanks to the committee in charge. All was much appreciated.

Tourist Assoc. Met at Madoc

A meeting of the Highlands of Hastings Tourist Association was held in Madoc on Thursday evening last, with representatives from Stirling, Steenburg, Frankford, Madoc, Trenton and Coe Hill. Mr. James V. Holt, Stirling, President, in charge of the meeting reported progress in the new Brochure and Tourist Directory and Guide which is being prepared, and advised that the Association were accepting Memberships from business establishments that cater to the Tourist Trade at \$10.00 a membership. The Department of Tourism and Information have films on how to meet and greet the Tourist, which Stirling Chamber of Commerce have agreed to show in schools, etc. These films are available to any organization that is interested in them.

Mr. N. Sprague, of Trenton Chamber of Commerce, suggested that restaurants and other eating places in Hastings County should promote foods grown or manufactured in the County.

Anyone interested in the Tourist promotion business was invited to attend the Tourist Hospitality Convention in Campbellford on Wednesday, October 28th.

Stirling Institute Report

The regular meeting of the Stirling Women's Institute was held on October 7th in the Community Hall.

The roll call was answered by ten members and two visitors. Minutes were read and approved. The Treasurer's report showed \$135.32 in the bank.

Mrs. Earl Luery gave a well-prepared paper on Historical Research, choosing as her subject, "Museums in the Province of Ontario". She also spoke on Confederation.

Mrs. West reported on the 38th Trent Valley Area Convention held in Belleville at Club Canara.

Mrs. E. Luery favoured with special piano music. Mrs. Smith gave a reading, "Don't Be a Heart Sinker".

Quilts and quiltings were discussed. The meeting closed with the Queen.

Wellman's U.C.W.

The regular meeting of Wellman's United Church Women was held at the home of Mrs. Bill Fleming on Tuesday, October 6th, with fifteen adults and eleven children in attendance.

Mrs. Gerald Russett, second vice-president, gave the Call to Worship and all joined in singing the hymn, "Sing to the Lord of Harvest" and repeating the prayer hymn.

Mrs. Howard Wallace conducted the devotional, beginning with

thoughts of "Come, all ye that are heavy laden and I will give thee rest". The hymn, "All Hail the Power of Jesus' Name", was sung. Mrs. Douglas Clancy read from the Bible, Mark 5: 1-20. Mrs. Wallace gave the meditation, followed by prayer, then all repeated the Lord's Prayer. The hymn "Lord Divine, All Loves Excelling", was sung. The roll call, a Bible verse containing the word or thought, "Gratitude", was well-answered. The minutes, read by the secretary, Mrs. Kenneth Tompkins, were approved. The correspondence was

read and a brief discussion on business matters was held. The Regional Rally at Stirling on October 15th was announced. Wellman's U.C.W. will be in charge of the Bible Study.

Mrs. John Carlisle gave a detailed account of her attendance at the Bible Study Conference for U.C.W. of Belleville Presbyterial at Lake Land Lodge, Picton. "God and His Purpose", a book of the new curriculum, of the United Church, was studied. There were ninety-two ladies in attendance. This was a very interesting report.

Miss Emma Rainie gave a reading, entitled, "The Old Church at Home". Mrs. Ken Tompkins rendered a solo, "My Own Dear Land, Where'er My Footsteps Wander". Mrs. Craig Watson gave a reading, "Just An Ordinary Member".

Ronald Clancy gathered the offering, which was dedicated with the singing of one verse of the hymn, "We Give Thee But Thine Own".

Mrs. Russett closed with prayer. Mrs. Bill Fleming and her assistants served dainty refreshments and all enjoyed a social half hour.

Eggleton U.C.W.

Mrs. Harlow was hostess on Thursday evening for the October meeting of the Eggleton United Church Women. Fifteen members were in attendance.

The president opened with a Thanksgiving poem, a hymn and prayer, by Mrs. Kenneth Stewart.

Mrs. Clarence Fitchett was in charge of the Devotional Period. Mrs. Carl Bridges and Mrs. Murney Kirkey assisted in the Service. Roll call was answered by a Scripture verse with the word, "Thanks", in it.

Mrs. Forde Stapley offered her home for the November meeting and the program will be prepared by Mrs. William McMullen.

Members were asked to hand in their gifts for the children at Curve Lake.

The committee appointed to make the plans were Mrs. Harlow, Mrs. B. Stapley, Mrs. Clancy and Mrs. McMullen. Mrs. Bruce Stapley reported on the sick calls made.

Mrs. McMullen, treasurer, reported that allocation for the third quarter had been sent away. Correspondence was then dealt with.

The secretary read invitations to attend Marsh Hill Tea and Bazaar, St. John's Anglican Guild Tea and Bazaar and Foxboro U.C.W. Tea. The Day of Prayer Service will be held at St. John's Anglican Church, Stirling, on November 6th.

East Hastings Regional Rally Belleville Presbyterial was held on October 16th, at Melrose United Church. "Brazil" was decided upon for the new Study Book.

The guest speaker, Miss Doris Donnan was introduced by Mrs. Harlow. Miss Donnan has served for the past four years as nurse at the Pentecostal Mission Hospital, at Hay River, 800 miles north of Edmonton. She gave a very interesting talk on the work being done there and some of the experiences she had encountered. There is much sickness, due to the lack of variety in their food. She also spoke of the churches in Hay River and the work they endeavour to carry on in the service of the Master.

Mrs. Bruce Stapley spoke briefly, expressing appreciation to Miss Donnan for her informative address and then presented her with a small remembrance.

The president thanked all who had attended and also voiced words of welcome to the visitors present.

The meeting was dismissed with prayer by Mrs. Stewart.

The hostess served dainty refreshments and a social half hour was enjoyed by all.

St. Mark's W.A.

Mrs. Jack Fraser opened her home for the October meeting of St. Mark's Women's Auxilliary, Bonarlaw, and the theme was Thanksgiving. Rev. Stewart opened the meeting by the singing of a thanksgiving hymn, followed by prayer. The Bible reading was from the Psalms and was read by Mrs. Jack Frost. Roll call was a poem or historical item related to thanksgiving and some very interesting facts were given.

Mrs. Frost, the Little Helper's Secretary, gave a splendid report on a conference she attended at Camp Hyanto, conducted by Rev. Fleming, Dean of St. George's Cathedral, Kingston. The need for becoming better acquainted with the camp and camp conditions was stressed, because it is the Anglican Young People's Camp and should be supported and patronized by the parents and Anglican Young People.

Several topics for discussion followed. The first was the annual turkey

supper and bazaar. The next item of business was the catering to a wedding, and finally, some badly needed repairs to the church property was discussed. Rev. Stewart agreed to look into the matter.

Rev. Stewart closed the meeting with prayer.

There was a short interesting programme. A delicious lunch was served by the hostess and a social half hour was spent. The next meeting will be at the home of Mrs. Everett Heath on November 12th.

High School Visit To Upper Canada Village

On Tuesday, October 6th, two High School teachers, Mrs. Lyons and Mr. Perceval-Price, with the students of Grade Eleven, journeyed to Upper Canada Village. This year the girls are studying Pioneer Life in their Home Economics classes.

They left Stirling at seven o'clock in the morning and reached the Village some time after ten. One of the first places the group visited was Cook's Tavern where in the past one could pass a night in a bedroom suite for a dollar or sleep on a mat for a penny. During the winter months some of the young boys of the sur-

rounding district stayed with the schoolmaster at his home. They were taught reading, writing and arithmetic before they went to Grammar School. The young people also saw the different dwellings in which the Loucks Family had lived — first in a log cabin, next in a larger building, then in a small house and finally in a high stone building. Some of the young people were able to go for a

ride on the ox-cart; the others enjoyed a jaunt in the bateau. Many other sites were inspected, until it was time to leave.

On the way home, the bus driver generously took them on a scenic trip by way of the Ivy Lea Bridge over the St. Lawrence River. The autumn view of the countryside was magnificent and proved a fitting conclusion to a most enjoyable day.

Giggey-Burgess Wedding

A pretty choral communion wedding was solemnized on Saturday, October 17th, at high noon at St. John's Anglican Church, Stirling, when Carole Mae, daughter of Mrs. R. T. Burgess, Stirling, and the late Mr. Burgess, became the bride of Mr. Charles Andrew Giggey, son of Rev. and Mrs. C. V. Giggey, Peterborough. The groom's father officiated and Rev. F. P. Downing assisted at the double ring ceremony.

Bouquets of flowers graced the altar and the church. Miss Helen Morrow, organist, played the wedding music.

Entering on the arm of her brother, Mr. Neil Burgess, the bride was radiant in a floor-length sheath gown of white silk brocade, fashioned with an empire waistline. A gathered overskirt fell into a graceful chapel train. The dress had a softly-rounded neckline and three-quarter length sleeves. Her shoulder length veil was held by a dainty pearl tiara and she carried a cascade of pale yellow roses and white stephanotis.

The matron-of-honour, Mrs. Lynn Johnston, Kingston, and bridesmaid, Mrs. Robert Green, Stirling, were gowned alike in autumn green peau-de-soie, floor-length, A-line style dresses with waist-length jackets. Wedding ring head pieces, with tiny veils, and lily point mitts completed their outfits. They carried nosegays of bronze and yellow 'mums.

Miss Sheryl Bird, Alliston, and Miss Christine Rickley, Markham, nieces of the bride, as flower girls wore autumn rust peau de soie floor-length dresses, trimmed with white lace and velvet with matching head bands and mitts. Their tiny white baskets held bronze and yellow 'mums.

Mr. Grant Brooks, Haliburton, was groomsmen. Brothers of the groom, Mr. George Giggey, Sarnia, and Mr. Vernon Giggey, Toronto, and nephew of the groom, Mr. Cecil Giggey, Toronto, were ushers. All the men were

attired in director suits.

At the reception in the Sun Valley Motor Inn's Madrid Room, Belleville, Mrs. Burgess received the guests in a deep turquoise brocade sheath dress with bolero jacket and matching accessories. Her corsage of pink roses was carried on her purse. She was assisted by Mrs. Giggey in a pink brown silk knit two-piece dress, with pink stole and white accessories. Her corsage was of Talianman roses.

During the reception, Miss Helen Morrow, Stirling, entertained with several renditions.

For her wedding trip to Montreal and the U.S., the bride donned a forest green double-breasted wool suit with white and black accessories. Her corsage was tangerine carnations.

Guests were present from Sarnia, Toronto, Markham, Alliston, Oshawa, Sutton, Rosemount, Haliburton, Belleville and Stirling.

Raymond Thomas McCrory Killed In Car Crash On Highway 33

Accident Occurred Early Saturday Morning A Mile South of Village Limits

An early Saturday morning accident, one mile south of Stirling, took the life of a young Stirling youth while the driver and a second passenger received only a shaking up.

Dead is 17-year-old Raymond Thomas McCrory, son of Mr. and Mrs. Andrew McCrory, 88 Emily Street, Stirling.

Shaken up as a result of the accident were the driver, Donald Allan Stewart, 17, also of Stirling, and a passenger, 18-year-old Wayne Outwater, of R.R. 5, Campbellford, Ont., who was riding in the rear seat.

Ontario Provincial Police at Belleville said the accident occurred about 1:00 a.m. Saturday morning, just north of the turn-off to Glen Ross on Highway 33.

They said the driver lost control of the vehicle and slammed into a tree, the passenger side of the vehicle receiving the impact. The vehicle was owned by Wayne Outwater's father, Ernest, also, of R.R. 5, Campbellford.

The McCrory youth was rushed to Belleville General Hospital by Duffin's Ambulance Service, of Stirling, where he was pronounced dead on arrival by Coroner Dr. Richard T. Potter, of Belleville. Dr. P. Briggs, of Stirling, attended at the scene of the accident.

Damage to the late model Outwater vehicle, described as a total wreck, was estimated at \$1,500.

The accident was investigated by OPP Constable David Thoms, of the Belleville OPP Detachment.

Stirling District Memorial Arena Fund Contributions Encouraging

Contributions of a very generous nature continue to roll in to the Stirling District Memorial Arena Fund. During the past week, local canvassers have been very busy making calls, and reports to date indicate that the appeal for funds has met with generous support. The Finance Committee asks all local and district canvassers to attend a special meeting this evening (Thursday) in the Council Chambers to report on progress. It is hoped that all the volunteer workers will attend this meeting, at 8 p.m.

Some confusion has existed with regard to the policy of the Arena Finance Committee in publishing the names of donors and the amounts of donations. At a special meeting last Monday evening, this policy was discussed and we can now report the adoption of the following.

(1) Contributions of \$50.00 and over — The names and amounts will be published, unless the donor objects. If a donor does not wish the amount of his donation to be published he should contact the canvasser who called on him. This should be done on or before Tuesday, November 10th.

(2) Contributions under \$50.00 — Only names will be published with no amount listed, unless a donor wishes to have the amount specified. If you wish to have the amount listed, please call your canvasser before Tuesday, November 10th.

The Arena Finance Committee does not wish to infringe on anyone's privacy or rights. In publishing names and amounts, the Committee hopes to show that the arena project is receiving generous and loyal support. At the same time, the Committee does not wish to hurt anyone's feelings. All donors are asked to think of this policy and if you object to having the amount of your donation published, then please call your canvasser on or before Tuesday, November 10th.

The Arena Building Committee will be meeting within the next week to make plans for an actual start on work at the arena. As soon as a plan is finalized, it will be reported in the News-Argus. In the meantime, we again sincerely ask all citizens to

To Canvass For UNICEF

Stirling Guides and Brownies will canvass the citizens on Halloween night in aid of UNICEF.

A very pleasant meeting was held at the home of Mrs. Grant Hubble, R.R. 3, Stirling, on the afternoon of Monday, October 26th. Mrs. Ray Rose, secretary, read the minutes of the last meeting and correspondence was dealt with. The president read a few verses, entitled "Gardener's Friend". Various items of business were discussed and it was voted that the officers remain as last year, except for five new Directors, five having come to the end of their term of office.

2 FREE WHEELS

WITH THE PURCHASE OF

2 "SILENT SAFETY" WINTER CLEATS

WHY SHOULD YOU HAVE EXTRA WHEELS?

The answer is simple...and yet, important. Every year, thousands of motorists have their regular tires removed and have special winter tires mounted. What they don't realize is this: each time snow tires are installed, you risk injury to the vital air-seal that lies between the rim and the tire. By mounting your snow tires on their own special wheels, you will be minimizing tire injury twice a year. You'll enjoy greater convenience, too. Because it's certainly easier and faster to switch wheels, complete with tires, twice a year, than to change tires.

Hastings County 4-H Teams at Guelph

The Provincial 4-H Inter-Club Competitions took place at the University of Guelph on Friday, October 16th. Hastings County was represented by seven teams, a total of fourteen 4-H Club members. Traditionally the Dairy Competition is the largest and very often the keenest. 1964 was no exception.

For example, the Tweed 4-H Calf Club scored 941 points to place 7th in a competition involving 37 teams. In actual points, the 7th place was only a difference of 16 from the winners. This is barely 2½ points a team. It illustrates the keenness of the competition and the work and capabilities of the 4-H members.

To further strengthen this description of keen competition, it is noted the Stirling 4-H Dairy Calf Club stood 15th and were only 36 points away from the winners. Hastings was represented by three teams in the dairy competition, one in swine, one in potato and one in forestry and one in tractor maintenance. The teams, their standing and the names of the members are listed below.

A final comment on this competition is that the results achieved points to the high standard of work being carried on among the Club

members by the individual club leaders under the direction of Lyall MacLachlan, Assistant Agricultural Representative for Hastings County.

Stirling 4-H Calf Club — Kalvin Sharp, Stirling, R.R. 3, Ted Reid, Campbellford, R.R. 2, 15th position, (tie).

Hastings 4-H Swine Club — Gary McComb, Bonarlaw, R.R. 1, David Burnside, Madoc, R.R. 3, 7th position.

Hastings Health Unit Discussed At St. Paul's U.C.W.

The members of Unit 1 U.C.W. met in the upstairs Church Hall on Tuesday evening, with Mrs. M. Preston as hostess.

Mrs. Don Williams read a Thanksgiving poem and offered prayer before dealing with several business items. The treasurer's and various secretaries' reports were given and several coming events were noted. One of particular importance is the Christmas Carnival—a display of novelty gifts, Barbie dolls' knitted wear, and several aprons were on display; all being saleable items for the November Carnival.

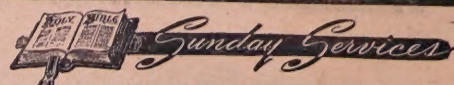

Following roll call, which was answered by the word, "Thankful", Mrs. F. Lyons presided for the devotional and programme periods, with Mrs. A. Wells at the piano. The Scripture reading and hymns were in keeping with the study book chapter, which dealt with the Creation. Mrs. Lyons synthesised these chapters in a very interesting and intelligible manner. In part, she said, "We naturally wonder how the world began. The Bible affirms but does not try to prove that it was and is the work of God. Creation still goes on. The Genesis story tells of an orderly process. The sciences describe how the process continues. It adds up to this—There is a revelation in the world."

Following a short closing prayer, the group joined Unit 2 in the Sunday School rooms to hear the guest speaker.

Mrs. A. Wells graciously introduced Mrs. Basil Kuglin, who spoke on, "A Health Unit for Hastings County". She described what a Health Unit is and compared the health benefits we are receiving now and those we

would receive if a Unit was formed in the county; also the specialized services which could be made available if a County Board approved. A few of the activities of a Health Unit were mentioned, such as: School Health Supervisor, Maternal and Infant Health, Mental Health, Sanitation, Dental Hygiene. A question period followed. Miss Donaldson, of Belleville General Hospital assisted with the answers.

Mrs. Gordon Bailey thanked Mrs. Kuglin for her very informative and explicit talk and presented her with a small gift.

LEGION NOTES

During the past week, Legion representatives have conducted their annual sale of Memorial Wreaths throughout the area. A generous response has been noted for which the Legion is sincerely grateful.

The Legion will hold a very important business meeting next Tuesday, November 3rd, at 8 p.m. The nomination of officers and executive will take place at this time. All comrades are asked to make a special effort to attend. That's next Thursday, November 3rd, at the Legion Hall, 8:15 p.m.

Arrangements for the observance of Remembrance Day are almost complete. This year, Remembrance Day is on Wednesday, November 11th. The Legion will meet at the Community Hall at 10 a.m. and along with the Brownies, Cubs, Guides and Scouts will parade to the Cenotaph for a service, starting at 10:30 a.m. Wreaths will be placed by civic groups and next-of-kin. Immediately following the local service, the Legion will proceed to the Rawdon Township Memorial at Harold for a brief service beginning at about 11:30 a.m. The Legion extends a very cordial invitation to all citizens to attend both services.

Branch No. 228 will parade to morning service at St. John's Anglican Church on Sunday, November 8th. All members of the Legion are asked to fall in at the Community Hall at 10:30 a.m. The Legion will move off from the Community Hall at 10:45 a.m. for service at St. John's starting at 11 a.m. Berets and medals will be worn.

Also on Sunday, November 8th, Branch No. 228 will be hosts at a reception and tea in honour of the Silver Cross Mothers of this area. This event will take place between the hours of 3 and 4:30 p.m. Invitations will be sent to about 70 guests. Once again the Legion wishes to emphasize that while only one invitation is sent to a family, it is meant to cover all of

the immediate family. It is also expected that members of the clergy, and local and district municipal councils will be present.

Branch members are also reminded of the special Remembrance Day Dinner planned for Wednesday, November 11th, at 6 p.m., in the Legion Hall. Tickets for this dinner can be obtained from Comrades Ray Tanner and George Noble. In order that dinner arrangements can be completed, we urge all members to obtain their tickets on or before Saturday, November 7th.

Further details concerning arrangements and plans for all these important Legion functions will be outlined at the business meeting next Tuesday, November 3rd. We again remind all members of this important meeting at which the officers and executive of Branch No. 228 will be nominated for the year 1965. Please make it a point to attend.
